

Expanded Injectable Therapeutic Agents Certification Workshops

This is a multiple-module injectable certification workshop program.

Module 1 – February 11, 2023

Module 2 – April 15, 2023.

Physician Fees:

Module 1 - \$1450

Module 2 - \$1400

Early Bird Registration:

Save \$200 off Module 1 by registering before January 13, 2023

Save \$200 off Module 2 by registering before March 15, 2023

Assistant Fees:

\$250/module when accompanied by a physician.

Sponsor:

Natural Health Center of Oklahoma

Instructor:

Daniel Cullum, D.C., C.C.P.K., A.A.O., A.P.T.

Workshop modules will teach and provide injectable certification (to physicians and assistants) for the expanded techniques and protocols to properly treat acute and chronic musculoskeletal injuries and traumas to facilitate healing. We will cover differential diagnosis of chronic and acute disease processes and how they relate to joint and extremity injections and the appropriate treatment protocols to be used. Muscle response testing for prioritization of treatment protocols, needle placement, concentrations of therapeutic agents and quantities will be taught.

Areas of instruction for Module 1 hands-on workshop/class include but are not limited to:

- Rotator Cuff Injuries
- Arthritic and Degenerative Hips and Knees
- Plantar Fasciitis
- Carpal Tunnel Syndrome
- Heel Spurs
- Neuromas
- Tennis Elbow
- Sciatica
- Post-surgery
- Non-union fractures
- Scars
- Sports Injury

Also covered in Module 1:

- Proper protocol for assessing and administering Nutritional IVs
- IV Formulas to best address specific needs
- Proper safety measures
- Proper Injectable Therapeutic Agents and injectable protocols and techniques

- Proper exam, injectable protocols and techniques for intra-articular and trigger point injections for:
 1. upper extremities (shoulder, elbow, wrist, and hand)
 2. lower extremities (hip, knee, ankle, and foot)
- UBI, MAH and O3 PROLO protocol and procedures will be taught.

Module 1 is a prerequisite for Module 2.*

***If a physician has had previous injectable experience (minimum of three to six months office practice) and can demonstrate to Dr. Cullum their competence, they will be allowed to take Module 2 without Module 1, and test for certification.**

A note about Module 2:

This module is designed to take all practitioners who have been successfully treating different pain syndromes with Injectable Therapeutic Agents to the next level. Module 2 builds on Module 1 and requires that a practitioner have several months of practice in their office using the techniques learned in Module 1. Injections in the following areas require extensive injection training and experience.

Areas covered in Workshop/Class Module 2 include but are not limited to:

- Hands-on demonstration for all injections
- Expanding on concepts and muscle response testing from Module 1
- Proper protocols and procedures for cervical, thoracic, lumbar, sacral, pelvic intra-articular joint complex, and trigger point injections of Injectable Therapeutic Agents
- Injections of the torso, anterior and posterior
- Injections of the head (sinuses, mouth, cranials, nose, eyes) and neck
- Frankenhauser pelvic injection
- P and O shot injections
- Prostate and erectile dysfunction Injections.

Workshop-size is limited to 15 physicians.

Conference and Workshop Location:

- Natural Health Center, 420 Yucca Lane, in The Ponderosa, Turpin, Oklahoma

King or double queen suites are available for \$90+tax per night at the Comfort Suites of Liberal, KS (also class location), 620-209-4345. Tell them you are with the Advanced Injectable Workshop group.

Nearby airport:

Liberal Municipal Airport of Liberal, KS., a 15-minute drive from the workshop location.

Attendees must qualify for the certifying examination immediately following module 2

Mail checks and completed enrollment form to:

Dr. Daniel Cullum, D.C.
420 Yucca Lane
Turpin OK 73950

Every attempt is made to offer these workshops as publicized; however, the Natural Health Center and Dr. Daniel Cullum, D.C., C.C.P.K., A.A.O., A.P.T., reserve the right to adjust seminar locations, dates, times, etc. due to circumstances beyond our control. Video recording will be allowed only for injectable procedures. Any portion of the workshop may be reproduced with written consent. Pre-registration is required. The Natural Health Center and Dr. Daniel Cullum, D.C. cannot be held responsible for any expenses incurred by a registrar if a workshop must be altered and or canceled. Workshop fee is nonrefundable. If the doctor is unable to attend after pre-registration and payment has been received, the workshop fee will be transferred to another injectable certification workshop (attended within 12 months of the original workshop) for an administration fee of \$50. Any workshop fee not transferred and not used within 12 months will be forfeited.
