

OBCE Approved Injectable Therapeutics Certification Workshops

Note: If any physician has had previous Injectable training and or certification and desires to expand your knowledge and expertise you may be eligible to attend these modules for a reduced cost. Check with Dr. Cullum for requirements and availability

This is a two-module injectable certification workshop program.

Module 1 – January 25-26, 2025

Module 2 – March 1-2, 2025.

Physician Fees:

Module 1 - \$1450

Module 2 - \$1400

Early Bird Registration:

Save \$200 off Module 1 by registering before December 25, 2024

Save \$200 off Module 2 by registering before February 3, 2025

Assistant Fees:

\$250/module when accompanied by a physician.

Sponsor:

Natural Health Center of Oklahoma

Instructor:

Dr. Daniel Cullum, DC, CCPK, ICCP, FAAO, APT

Workshop modules will teach and provide injectable certification (to physicians and assistants) for techniques and protocols to properly treat acute and chronic musculoskeletal injuries and traumas to facilitate healing. We will cover differential diagnosis of chronic and acute disease processes and how they relate to therapeutic IV's, joint and extremity injections and the appropriate treatment protocols to be used. Emergency procedures for shock and vasovagal reactions, assessing severity and treatment protocols will be taught. Muscle response testing for prioritization of treatment protocols, needle placement, concentrations of therapies and quantities will be taught. (Assistants must be accompanied by their doctor.)

Areas of review for Module 1 hands-on workshop/class include but are not limited to:

- Rotator Cuff Injuries
- Arthritic and Degenerative Hips and Knees
- Plantar Fasciitis
- Carpal Tunnel Syndrome
- Heel Spurs
- Neuromas
- Tennis Elbow
- Sciatica
- Post-surgery
- Non-union fractures
- Scars
- Sports Injury

Also covered in Module 1:

- Proper protocol for assessing and administering Therapeutic Nutritional IVs
- IV Formulas to best address specific needs
- Proper safety measures and OSHA requirements
- Proper Prolo/Prolozone/ISM injectable protocols and techniques
- Introduction to Ozone Therapy and protocols for treatment
- Proper exam, injectable protocols and techniques for intra-articular and trigger point injections for:
 1. upper extremities (shoulder, elbow, wrist, and hand)
 2. lower extremities (hip, knee, ankle, and foot)
- UBI and MAH protocol and procedures will be taught.

A note about Module 2:

This module is designed to take all practitioners who have taken module 1 or who have been successfully treating different pain syndromes with therapeutic IV's and Prolo/Prolozone/ISM injections to the next level. Module 2 builds on Module 1.

Areas covered in Workshop/Class Module 2 include but are not limited to:

- Hands-on demonstration for injections
- Expanding on concepts and muscle response testing from Module 1
- Proper protocols and procedures for cervical, thoracic, lumbar, sacral, and pelvic intra-articular joint complex Prolo/Prolozone/ISM and trigger point injections
- Injections of the torso, anterior and posterior
- Injections of the head (sinuses, mouth, cranial, nose, eyes) and neck
- Frankenhauser pelvic injection
- P and O shot injections
- Prostate and erectile dysfunction Injections.

Workshop-size is limited to 20 physicians.

Conference and Workshop Location:

- Natural Health Center, 420 Yucca Lane, in The Ponderosa, Turpin, Oklahoma

King or double queen suites are available for \$90 per night at the Comfort Suites of Liberal, KS (also class location), 620-209-4345. Tell them you are with the Injectable Workshop group.

Nearby airport:

Liberal Municipal Airport of Liberal, KS., a 15-minute drive from the workshop location.

Attendees must qualify for the certifying examination immediately following module 2

Mail checks and completed enrollment form to:

Dr. Daniel Cullum, D.C.
420 Yucca Lane
Turpin OK 73950

Every attempt is made to offer these workshops as publicized; however, the Natural Health Center and Dr. Daniel Cullum, DC, CCPK, ICCP, FAAO, APT reserve the right to adjust seminar locations, dates, times, etc. due to circumstances beyond our control. Video recording will be allowed only for injectable procedures. Any portion of the workshop may be reproduced with written consent. Pre-registration is required. The Natural Health Center and Dr. Daniel Cullum, D.C. cannot be held responsible for any expenses incurred by a registrar if a workshop must be altered and or canceled. Workshop fee is nonrefundable. If the doctor is unable to attend after pre-registration and payment has been received, the workshop fee will be transferred to another injectable certification workshop (attended within 12 months of the original workshop) for an administration fee of \$50. Any workshop fee not transferred and not used within 12 months will be forfeited.
